The Google Chrome settings page will pop up. Under "Google Chrome OS", click **"Check for updates"**. It will be in blue.

Step 6:

The screenshot shows the 'About Chrome OS' settings page. On the left is a sidebar with various system settings categories. The main content area is titled 'About Chrome OS' and features the Google Chrome OS logo. Below the logo, a status bar indicates 'Updating your device (2%)' with a small progress icon, and below that, the version number 'Version 91.0.4472.102 (Official Build)'. A red circle highlights the update status, and a yellow arrow points from a text box to it. The text box contains the instruction: 'At this point, your chromebook is updating. This may take 5-10 minutes.' Below the update status are links for 'See what's new', 'Get help with Chrome OS', 'Report an issue', 'Diagnostics', and 'Additional details'. At the bottom, it states 'Your Chromebook is managed by jsusd.org'. The footer includes 'Google Chrome OS' and 'Copyright 2021 Google LLC. All rights reserved.'

At this point, your chromebook is updating. This may take 5-10 minutes.

Step 7:

The screenshot shows the 'About Chrome OS' settings page. On the left is a sidebar with various system settings categories. The main area displays the Google Chrome OS logo and a status message: 'Nearly up to date! Restart your device to finish updating. Version 91.0.4472.102 (Official Build) (64-bit)'. A blue 'Restart' button is located to the right of this message and is circled in red. A yellow callout box with an arrow pointing to the button contains the text: 'Once at 100%, you must restart computer in order to finish update. To do this, click **"Restart"**.' Below the callout is a list of links for further assistance, and at the bottom is the Google Chrome OS copyright notice.

Once at 100%, you must restart computer in order to finish update. To do this, click **"Restart"**.

Step 8:

The screenshot shows the 'About Chrome OS' settings page. On the left is a sidebar with various settings categories: Network, Bluetooth, Connected devices, Accounts, Device, Personalization, Search engine, Security and privacy, Apps, and Advanced. The main content area is titled 'About Chrome OS' and features the Google Chrome logo, the text 'Google Chrome OS', and a status message: 'Your Chromebook is up to date' with a blue checkmark icon. Below this, it says 'Version 93.0.4577.85 (Official Build) (64-bit)'. A red oval highlights this status message. Below the oval, there are links for 'See what's new' and 'Get help with Chrome OS'. At the bottom, it says 'Your Chromebook is managed by jsusd.org'.

Once your device is up to date, **"Your Chromebook is up to date"** will display.

You are all done!

**** Note:** Your chromebook may need to be updated numerous times before being completely up to date. After restarting, make sure to repeat steps 1-4 to check. Updating is only complete when **"Your Chromebook is up to date"** displays. If it does not, you need to continue the process until complete.
