you into our family!*

about us

The American Indian Culture & Education Program strives to further the educational, social, and cultural development of Native American students and their families in Contra Costa County.

We are largely funded by a grant from the Office of Indian Education. We rely on support from our parent group and the surrounding community to assist us in providing the most authentic experiences possible for our students.

Your child counts...so make sure of it! If you haven't already done so, PLEASE complete a 506 Form. Each 506 form provides funding for virtually all our current services. It may even allow us to add some new ones!! Contact us for more information at (925) 335-5890 x 3956

Go Forward With Courage
*When you are in doubt, be still, and wait;
when doubt no longer exists for you,
then go forward with courage.
So long as mists envelope you, be still;
be still until the sunlight pours through
and dispels the mists—as it surely will.
Then act with courage.*
- Ponca Chief White Eagle
(1800's to 1914)

Ways of Our Ancestors,

Our Outdoor Summer Heritage Program, sought to provide participants with a deeper understanding of Native traditions while forming a bond of friendship with other N community.
