

John Swett High School

2021 School Accountability Report Card

JOHN SWETT HIGH SCHOOL

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Contact Information

School Name	John Swett High School
Street	1098 Pomona St.
City, State, Zip	Crockett, CA 94525-1426
Phone Number	510.787.1088
Principal	Mrs. Leslie Marley
Email Address	lmarley@jsusd.org
School Website	www.jsusd.org/page/13
County-District-School (CDS) Code	07 61697 0737023

2021-22 District Contact Information

District Name	John Swett Unified School District
Phone Number	510-245-4300
Superintendent	Dr. Charles Miller
Email Address	cmiller@jsusd.org
District Website Address	www.jsusd.org

2021-22 School Overview

We at John Swett High School envision self-motivated graduates who will be responsible, trustworthy citizens, respectful of cultural diversity, and able to communicate effectively, think critically and behave compassionately. Our teachers and staff work tirelessly to ensure that all our students have the ability to reach their highest potential.

Our Schoolwide Learner Outcomes are a driving force in curricular development and teaching methodology and are intended to challenge students to develop the following skills:

- *Socially Responsible and Ethical Citizens
- *Well: Physically, Mentally and Emotionally
- *Effective Communicators
- *Thoughtful Problem Solvers
- *Technologically Skilled: College and Career Ready

These spell out SWETT.

Students at John Swett have access to high quality instruction, many extra curricular activities and athletics, and a safe, student centered environment. All of our students have access to our award winning Careers Academy, which train students in many professional pathways. John Swett High School is a great place for kids and families, and many of our students go on to great college and career opportunities!

About this School

2020-21 Student Enrollment by Grade Level

Grade Level	Number of Students
Grade 9	105
Grade 10	111
Grade 11	94
Grade 12	105
Total Enrollment	415

2020-21 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
American Indian or Alaska Native	0.5
Asian	10.6
Black or African American	13.3
Filipino	13.3
Hispanic or Latino	36.1
Two or More Races	9.9
White	16.1
English Learners	11.8
Homeless	1.9
Socioeconomically Disadvantaged	48.2
Students with Disabilities	15.4

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	17.8	74.7	55.4	82.9	228366.1	83.1
Intern Credential Holders Properly Assigned	0.0	0.0	0.0	0.0	4205.9	1.5
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	3.1	13.0	6.9	10.3	11216.7	4.1
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	1.2	5.0	2.4	3.6	12115.8	4.4
Unknown	1.7	7.3	2.1	3.2	18854.3	6.9
Total Teaching Positions	23.8	100.0	66.8	100.0	274759.1	100.0

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2020-21 Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21
Permits and Waivers	0.0
Misassignments	3.1
Vacant Positions	0.0
Total Teachers Without Credentials and Misassignments	3.1

2020-21 Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21
Credentialed Teachers Authorized on a Permit or Waiver	1.2
Local Assignment Options	0.0
Total Out-of-Field Teachers	1.2

2020-21 Class Assignments

Indicator	2020-21
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	14.5
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0.0

2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

The John Swett Unified School District is committed to providing sufficient numbers of state-approved textbooks and materials to all of our students, including English-language learners. Each student has access to his or her own copy of the standards-aligned textbooks that have been approved by the State Board of Education to use in class and to take home. We are in the process of adopting Social Studies book this year and Science books next year to align with current State standards.

Year and month in which the data were collected

10/2021

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption ?	Percent Students Lacking Own Assigned Copy
Reading/Language Arts	Literature & Language Arts, Holt 2006 Literature, Prentice Hall 2006 The U.S. in Literature 2005 Elements of Literature 2001 Perrine's Literature 2006	Yes	0
Mathematics	Algebra 1 & 2, Pearson 2016 Geometry, Pearson 2016 Advanced Mathematical Concepts: Precalculus with Applications 2005 Calculus of a Single Variable, Sixth Edition 2007 California Mathematics Review 2007	Yes	0
Science	Physical Science with Earth Science 2005 Biology: The Dynamics of Life 2005 Modern Chemistry 1999 Basic Electronics, Eighth Edition 2005 Conceptual Physics 2005 Fundamentals of Physics 2005 The Water Planet 2005 Life on an Ocean Planet 2007	Yes	0

Foreign Language	Realidades 1-4, Prentice Hall 2005	Yes	0
Science Laboratory Equipment (grades 9-12)			

School Facility Conditions and Planned Improvements

John Swett High School was built in 1927 by the same folks that built C&H Sugar refinery in Crockett. Considering the school's age, it is in excellent condition. Entering the campus takes one back to a different era, as the brick structures and park like front provide a distinctive small-town, academic atmosphere. The football field and track, in many instances, remains the hub of the community. The gym provides bleachers above the court, providing fans with an awesome view of basketball and volleyball matches, while also creating the illusion of a smaller court, known as "the pit," which has often intimidated opponents. John Swett is one of the last high-school facilities to maintain a functioning auditorium with an opera pit and a theater accommodating 600 people.

Currently the school is has just recently completed a construction project due to a Bond measure. The school has had construction going on almost every where in the school hallways and nearby classroom areas for several years and this is the first school year without the hassle. However the poorly executed contract has not been fully completed by the Construction company and therefore more work still needs to be done by other companies. This includes HVAC, electrical, technology, and roofing. This is still a bit of a hassle, but much less disruption than the past project.

Our school maintenance staff consists of 3.0 full-time equivalent (FTE) custodians (1.0 FTE day and 2.0 FTE night) and one district facilities maintenance staff who roams between the schools in the district. All classrooms are fully cleaned two days per week along with the floors being swept and the garbage being emptied on a daily basis as well as COVID 19 sanitation protocols.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21
English Language Arts/Literacy (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A
Mathematics (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A

2020-21 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment. The CDE will populate this table for schools in cases where the school administered the CAASPP assessment. In cases where the school administered a local assessment instead of CAASPP, the CDE will populate this table with “NT” values, meaning this school did not test students using the CAASPP. See the local assessment(s) table for more information.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students	90	NT	NT	NT	NT
Female	48	NT	NT	NT	NT
Male	42	NT	NT	NT	NT
American Indian or Alaska Native	0	0	0	0	0
Asian	--	NT	NT	NT	NT

Students Receiving Migrant Education Services	0	0	0	0	0
Students with Disabilities	--	NT	NT	NT	NT

2020-21 Career Technical Education Programs

Our Career Academy is widely acclaimed for offering students the opportunity to gain knowledge and experience in work-related fields. Through Regional Occupational Programs (ROP) offerings, such as construction, industrial survey, and electronics, many students have decided and begun distinctive career paths. This includes acceptance into such areas as carpentry unions as entry-level apprentices. Recently, the school has begun conversations to transition students to junior colleges. We will be working on a system to evaluate the effectiveness of these programs by inviting experts from the field in to assess the skills our students have picked up in classes such as construction and industrial survey. We will also look at what percentage of students move from such classes to college or a trade union out of high school. The Career Technical Education (CTE) program sequences offered by the district include:

- **Introduction to Manufacturing:** This course gives freshmen and sophomores the opportunity to experience carpentry and metal-working skills. The course is a preview of the upper-level courses in construction and manufacturing.
- **Construction Survey:** This class offers students a safety-oriented, hands-on course that is designed to allow junior- and senior-year high-school students an opportunity to familiarize themselves with the skills and expectations of the building-construction industry and other related trades.
- **Welding:** Emphasizing safety, this hands-on course is designed to allow junior- and senior-year high-school students an opportunity to familiarize themselves with the skills and expectations of industry-related welding
- **Machine Technology:** This class teaches students how to use advanced machine tools and experience the manufacturing of metal products for the industry. The students use lathes and drill presses, and soon, CNC machines will be incorporated into the curriculum.

CADD: This class teaches students how to use the CADD program, and to learn about product design.

The primary representative of the district's career technical advisory committee is Leslie Marley, Principal, and the industries represented include oil refineries, workforce development, construction, water resources and community colleges.

2020-21 Career Technical Education (CTE) Participation

Measure	CTE Program Participation
Number of Pupils Participating in CTE	149
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	100
Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education	6.7

Course Enrollment/Completion

This table displays the course enrollment/completion of University of California (UC) and/or California State University (CSU) admission requirements.

UC/CSU Course Measure	Percent
2020-2021 Pupils Enrolled in Courses Required for UC/CSU Admission	90.89
2019-2020 Graduates Who Completed All Courses Required for UC/CSU Admission	53.64

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

Grade Level	Percentage of Students Meeting Four of Six Fitness Standards	Percentage of Students Meeting Five of Six Fitness Standards	Percentage of Students Meeting Six of Six Fitness Standards
Grade 5	N/A	N/A	N/A
Grade 7	N/A	N/A	N/A
Grade 9	N/A	N/A	N/A

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

As with most worthwhile organizations and consistent with a vast majority of studies, John Swett High School realizes that parent involvement is an indispensable component in relation to the overall success of individual students and the school as a whole. At John Swett High School, we greatly appreciate and encourage parent involvement in a number of areas such as the JSBS School Site Council (academic program and support), the Parent Teacher Student Association (academic and extracurricular support), JSBS Band Boosters, JSBS Athletic Boosters, Career Academy meetings, as well as ELAC English Language Advisory Committee and DELAC District English Language Advisory Committee. Due to COVID 19 support last year, the District has created two additional parent groups where parents can have the voices heard or hear about what the District and JSBS are doing. Those parent groups are called the PAC Parent Advisory Council and the District's Racial Equity Diversity and Inclusion Committee. Parents can also volunteer to be guest speakers for our AVID Advancement Via Individual Determination class or for the counseling office to give students experience in hearing about career experiences and fields.

For more information on how to become involved, please contact our school office at (510) 787-1088, or reach out to the Principal Leslie Marley via email LMarley@jsusd.org, we welcome all to visit and present on their career experiences.

C. Engagement

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2018-19	School 2019-20	School 2020-21	District 2018-19	District 2019-20	District 2020-21	State 2018-19	State 2019-20	State 2020-21
Dropout Rate	5.4	1.7	8.4	5.7	4.9	11.9	9.0	8.9	9.4
Graduation Rate	93.5	91.7	89.5	92.6	88.7	86.4	84.5	84.2	83.6

2020-21 Graduation Rate by Student Group (Four-Year Cohort Rate)

This table displays the 2020-21 graduation rate by student group. For information on the Four-Year Adjusted Cohort Graduation Rate (ACGR), visit the CDE Adjusted Cohort Graduation Rate web page at www.cde.ca.gov/ds/ad/acgrinfo.asp.

Student Group	Number of Students in Cohort	Number of Cohort Graduates	Cohort Graduation Rate
All Students	95	85	89.5
Female	52	48	92.3
Male	43	37	86.0
American Indian or Alaska Native	0	0	0.00
Asian	13	12	92.3
Black or African American	11	11	100.0
Filipino	13	12	92.3
Hispanic or Latino	39	34	87.2
Native Hawaiian or Pacific Islander	0	0	0.00
Two or More Races	--	--	--
White	13	10	76.9
English Learners	14	11	78.6
Foster Youth	0.0	0.0	0.0
Homeless	--	--	--
Socioeconomically Disadvantaged	63	53	84.1
Students Receiving Migrant Education Services	0.0	0.0	0.0
Students with Disabilities	12	4	33.3

2020-21 Chronic Absenteeism by Student Group

Student Group	Cumulative Enrollment	Chronic Absenteeism Eligible Enrollment	Chronic Absenteeism Count	Chronic Absenteeism Rate
All Students	423	419	30	7.2
Female	220	218	12	5.5
Male	202	200	18	9.0
American Indian or Alaska Native	2	2	0	0.0
Asian	44	44	0	0.0
Black or African American	56	55	11	20.0
Filipino	56	56	0	0.0
Hispanic or Latino	153	150	12	8.0
Native Hawaiian or Pacific Islander	0	0	0	0.0
Two or More Races	41	41	2	4.9
White	69	69	5	7.2
English Learners	51	50	5	10.0
Foster Youth	1	1	0	0.0
Homeless	18	18	1	5.6
Socioeconomically Disadvantaged	209	207	23	11.1
Students Receiving Migrant Education Services	0	0	0	0.0
Students with Disabilities	65	65	14	21.5

C. Engagement

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21
Suspensions	2.46	0.00	2.80	0.00	3.47	0.20
Expulsions	0.21	0.00	0.07	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

Subject	School 2019-20	District 2019-20	State 2019-20
Suspensions	4.59	4.81	2.45
Expulsions	0.00	0.00	0.05

2020-21 Suspensions and Expulsions by Student Group

Student Group	Suspensions Rate	Expulsions Rate
All Students	0.00	0.00
Female	0.00	0.00
Male	0.00	0.00
American Indian or Alaska Native	0.00	0.00
Asian	0.00	0.00
Black or African American	0.00	0.00
Filipino	0.00	0.00
Hispanic or Latino	0.00	0.00
Native Hawaiian or Pacific Islander	0.00	0.00
Two or More Races	0.00	0.00
White	0.00	0.00
English Learners	0.00	0.00
Foster Youth	0.00	0.00
Homeless	0.00	0.00
Socioeconomically Disadvantaged		
Students Receiving Migrant Education Services	0.00	0.00
Students with Disabilities		

2021-22 School Safety Plan

The district wide school safety plan has applicability to each school site. Earthquake, active shooter, shelter in place and fire drills are performed regularly. Adult visitors must sign in at the front office. School-age visitors are not permitted unless they are on a pre-approved shadow day. Our school takes student safety as our number one priority, and we strictly enforce our student discipline policies, including Positive Behavior and supports as well as Restorative practices.

Additionally due to COVID 19, a COVID safety plan was also created to be implemented for return to in person school. This also includes a District component that entails a COVID 19 tracker of positive cases District wide.

Most recently the District and school have implemented the following safety features: The Tango Tango app where any cell phone can be converted into a School radio for emergency communication, and the Say Something App created by the Sandy Hook Foundation to give students the ability to communicate directly with safety staff to self report or report for a friend if they are in need of any type of support.

At the beginning of this school year we also had a major upgrade to our security camera system that now includes 64 cameras. With that upgrade we have greater visibility and monitoring during school hours and non school hours.

The school safety plan will be reviewed, updated and discussed in November 2021.

2018-19 Secondary Average Class Size and Class Size Distribution

This table displays the 2018-19 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	22	9	9	3
Mathematics	18	13	6	4
Science	24	5	4	5
Social Science	20	10	11	3

2019-20 Secondary Average Class Size and Class Size Distribution

This table displays the 2019-20 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	20	10	9	3
Mathematics	21	8	4	7
Science	21	6	6	4
Social Science	23	7	7	7

2020-21 Secondary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	15	19	7	2
Mathematics	18	13	5	3
Science	17	12	5	2
Social Science	18	13	7	5

2020-21 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Ratio
Pupils to Academic Counselor	415

2020-21 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	1
Library Media Teacher (Librarian)	0
Library Media Services Staff (Paraprofessional)	0
Psychologist	0.4
Social Worker	0
Speech/Language/Hearing Specialist	0.2
Resource Specialist (non-teaching)	0

2019-20 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2019-20 expenditures per pupil and average teach salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	7863	1663	6120	77652
District	N/A	N/A	8799	\$71,258
Percent Difference - School Site and District	N/A	N/A	-35.9	8.6
State			\$8,444	\$71,544
Percent Difference - School Site and State	N/A	N/A	-31.9	8.2

2020-21 Types of Services Funded

These programs and services are provided at the school either through categorical funds or other sources that support and assist students:

- * Intervention Classes for credit recovery
- * CTE Classes
- * Beginning Teacher Support or Induction
- * PAR Mentors
- * ELD Support classes
- * AVID classes
- * Summer school and 8th grade transition programs

2019-20 Teacher and Administrative Salaries

This table displays the 2019-20 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Average for Districts in Same Category
Beginning Teacher Salary	\$46,657	\$45,813
Mid-Range Teacher Salary	\$69,919	\$70,720
Highest Teacher Salary	\$92,307	\$93,973
Average Principal Salary (Elementary)	\$113,452	\$111,613
Average Principal Salary (Middle)	\$118,661	\$119,477
Average Principal Salary (High)	\$120,137	\$120,270
Superintendent Salary	\$161,905	\$150,704
Percent of Budget for Teacher Salaries	33%	29%
Percent of Budget for Administrative Salaries	5%	6%

2020-21 Advanced Placement (AP) Courses

This table displays the percent of student in AP courses at this school.

Percent of Students in AP Courses	21.1
--	------

This table displays the number of AP courses offered at this school where there are student course enrollments of at least one student.

Subject	Number of AP Courses Offered
Computer Science	0
English	2
Fine and Performing Arts	1
Foreign Language	0
Mathematics	1
Science	2
Social Science	2
Total AP Courses Offered	8

Professional Development

Professional-development opportunities for staff members are ongoing. Administrators, teachers and classified staff have attended a multitude of conferences, including those presented by the District, Aeries database system, UC/CSU college preparation, Advanced Placement (AP), California Association of School Business Officials and FCMAT (CASBO) and California Association of Directors of Activities (CADA), and AVID. Students, including the Associated Student Body (ASB) treasurer, are offered the opportunity to participate in applicable conferences as well (e.g., CASBO). Additionally District in-services and teacher workdays include training in social and emotional needs through the Guiding Principles for Equitable Whole Child Design. This is a continued focus to support our students after return to school from a pandemic. Additionally a team from the site will begin Trauma Informed Specialist Certification beginning in November.

We have 3 staff development meetings each month to provide ongoing professional development for our staff. These days are built into our schedule on the 1st, 2nd, and 3rd Wednesdays of the month. During our professional-development meetings, we are focusing on best practices in the classroom, safety, Special education supports, EL supports, MAP testing and AVID strategies throughout the year. This year we implemented a new concept called Staff SLAM. This is where a teacher volunteers to share out a quick technique, whether it is technology, best practices, supports, or how to help each other out, it has been a great technique in building a collaborative leadership culture amongst our teachers. The last Wednesday of the month is solely devoted Departmental planning, collaboration and needs to be addressed at future staff meetings and is facilitated by our Department Chairs.

This table displays the number of school days dedicated to staff development and continuous improvement.

Subject	2019-20	2020-21	2021-22
Number of school days dedicated to Staff Development and Continuous Improvement	3	4	3

John Swett Unified School District

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.

2021-22 District Contact Information

District Name	John Swett Unified School District
Phone Number	510-245-4300
Superintendent	Dr. Charles Miller

2020-21 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment. The CDE will populate this table for schools in cases where the school administered the CAASPP assessment. In cases where the school administered a local assessment instead of CAASPP, the CDE will populate this table with "NT" values, meaning this school did not test students using the CAASPP. See the local assessment(s) table for more information.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students	679	1	0.15	99.85	--
Female	322	0	0.00	100.00	--
Male	357	1	0.28	99.72	--
American Indian or Alaska Native	--	--	--	--	--
